Town of Fountain Hills Zoning Ordinance Chapter 6

Section 6.01 Purpose

These Sign Regulations are intended to encourage attractive signage for businesses and services, optimizing the availability of information, while promoting the general welfare by creating more aesthetically appealing community.

Section 6.02 Definitions

The following definitions shall apply; interpretations of these definitions shall be the responsibility of the Town of Fountain Hills Zoning Administrator or authorized designee.

Abandoned Sign: A sign that is no longer associated with the location, product or activity conducted on the premises on which the sign is located.

Advertising Copy: Copy that includes, but is not limited to information such as phone numbers, prices, announcement of sales, business hours, meeting times, individual or specific product or merchandise information, and directional information.

Advertising Sign: A sign which includes any copy and/or graphics relating to any business, service, product, person, organization, place, or building in addition to simple identification.

A-Frame Sign: A temporary sign normally supported by its own frame in a manner that usually forms an "A" when in use; also referred to as a "sandwich" or "tent" sign.

Animated Sign: A sign with actual motion, including light changes or color changes, or the illusion of motion.

Awning: An architectural projection or shelter projecting from, or supported by, the exterior wall of a building and composed of a covering of rigid or non-rigid materials and/or fabric on a supporting framework that may be either permanent or retractable, including such structures which are internally illuminated by fluorescent or other light sources.

Awning Sign: A sign displayed on, or attached flat against, the surface or surfaces of an awning or any other surface attached to a building that provides shelter.

Ballast: The portion of a sign required to operate a fluorescent lamp.

Town of Fountain Hills Zoning Ordinance Chapter 6

Banner: A temporary sign composed of fabric, plastic, or other pliable material regardless of shape, on which advertising copy or graphics may be displayed.

Bench sign: A sign painted on or affixed to a bench.

Billboard: A permanent off-premise outdoor advertising sign erected, maintained or used for the purpose of commercial or non-commercial messages.

Building Mounted Sign: Any sign mounted onto the vertical surface of a building; see also Wall Sign.

Business Area: An area designated by the Zoning Administrator as containing a concentrated group of businesses.

Business Block: A portion of a business area consisting of at least three lots, bounded on all sides by a public right-of-way, alleyway or an adjacent property line.

Cabinet Sign: A frame constructed to hold internal components and covered by a face to hold the advertising sign.

Canopy Sign: See definition of Awning Sign.

Changeable Copy Sign: A sign constructed to hold individual letters or individual text sections that are mounted in or on a track system. Changeable Copy Signs are usually used as Directory Signs.

Channel Letter: Individual letters constructed to be applied singly in the formation of a Building Mounted Sign or a Freestanding Sign. Channel letters may be illuminated or non-illuminated.

Comprehensive Sign Plan: Comprehensive Sign Plans are required in all commercial zoning districts for multi-tenanted buildings or shopping centers. The Comprehensive Sign Plan shall be reviewed and approved by the Zoning Administrator or designee and conform to the sign regulations contained in this chapter. A "multi-tenanted building" is a building complex or center that contains any number of businesses, greater than one, that share the same site, use common points of ingress, and egress to and from the site.

Copy: The text, graphics or message of a sign.

Town of Fountain Hills Zoning Ordinance Chapter 6

Direct Illumination: A sign that is constructed with a light source that is externally mounted; also referred to as "exterior illumination."

Directional Sign: A sign, supplying pertinent directional information for the purpose of promoting safety and the flow of vehicular or pedestrian traffic.

Example of Directional Signs:

Directory Sign: A sign listing the names and/or uses, and/or locations of the various tenants or activities within a building, or in a multi-tenant development, or group of buildings. Directory Signs may be constructed as Changeable Copy Signs.

Electronic Message Center: A sign that uses computer-generated or electronic means to change advertising copy, messages or color, including signs that flip or rotate.

Face, Letter: The exterior side of an individual letter or individual graphic element.

Face, Sign: The area enclosing the copy and graphic components of a sign.

Flag: A fabric sheet of square or rectangular or triangular shape which is mounted on a pole. This includes the United States, State, flags for registered corporations and other registered entities, flags of foreign nations, decorative flags, and flags supporting activities of the Fountain Hills Unified School District.

Fascia Sign: A sign, which is permanently affixed to the horizontal member or surface at the edge of a projecting or slanting roof.

Town of Fountain Hills Zoning Ordinance Chapter 6

Example Fascia Sign

Flashing Sign: A sign with an intermittent, repetitive or flashing light source.

Freestanding Sign: A permanent sign that has its own supporting structure independent of the building or business it identifies.

Frontage: Building: The linear measurement of an exterior building wall or structure that faces the public roadway.

Front Lit Letter: An internally illuminated individual letter or graphic component of a sign that has a translucent face.

Fuel Price Sign: A sign displaying the price(s) of fuel.

Ground Mounted Sign: A Freestanding Sign with no visible base.

Halo Illumination: Wall or Freestanding Signs having the sign lighting constructed so that the light for the entire sign, or the light for each individual component of the sign, is directed against the surface behind the sign or sign component, producing a halo effect.

Holiday Window Decorations: The decorative display of holiday themed decorations or window painting.

Identification Sign: A sign which contains only the name of the business, person, organization, place, or building at that location.

Ideological Sign: A sign which expresses, conveys, or advocates a non-commercial message.

Illuminated Sign: A sign which is lighted, either externally or internally.

Town of Fountain Hills Zoning Ordinance Chapter 6

Internally Illuminated Sign: A sign constructed with a light source behind the face of the sign.

Logo: A graphic design representing a product, identity or service.

Mansard Roof: A roof style composed of a combination of a steep semi-vertical plane connected to a flatter plane. Any sign proposed for a building with a Mansard Roof shall have the top of the sign mounted no higher than the lowest point of any portion of the roofline.

Mansard Roof

Menu Board: A changeable sign orientated to the drive-thru lane for a business that advertises the menu items or services available from the drive-through window.

Mobile Sign: See Portable Sign.

Monument Sign: A Ground Mounted Freestanding Sign identifying a subdivision or multiple-occupancy development such as a shopping center, office building or planned industrial park, which has multiple suites, offices or tenants. A Monument Sign shall be a part of the signage regulated by a Comprehensive Sign Plan.

Town of Fountain Hills Zoning Ordinance Chapter 6

Example Monument Sign

Multi-Tenant Building Identification Sign: A sign for a building complex or center that contains any number of businesses, greater than one, that share the same site and use common points of ingress and egress to and from the site.

Neon Sign: Any sign that uses neon, argon or any similar gas to illuminate transparent or translucent tubing or other materials, or any use of neon, argon or any similar gas lighting on or near the exterior of a building or window.

Open House Directional Sign: A temporary sign with directional arrow, directing pedestrian or vehicular travel to the property or premise for sale, lease or rent.

Pan Channel Letter: An individual letter of a sign constructed so that the sides and back of the letter are one unit.

Parapet: An extension of a vertical building wall above the line of the structural roof.

Parapet Sign: A sign mounted to the face of a building parapet.

Pennant: Any lightweight plastic, fabric or other material, whether or not containing a message of any kind, suspended from a rope, wire or string, usually in a series and designed to move in the wind. Pennants must not exceed 12 inches in any direction.

Town of Fountain Hills Zoning Ordinance Chapter 6

Pole Mounted Sign: A Freestanding Sign constructed with a support structure that is more than 10% of the height of the total sign and less than 90% of the width of the sign. The sign support structure shall be included in the sign area computation.

Political Sign: A sign which identifies a person, expresses a position, conveys a message concerning, or advocates a position on, the candidacy of a person, party or issue on an upcoming ballot.

Portable Signs: Any sign not permanently attached to the ground or other permanent structure, or a sign designed to be transported, including, but not limited to, signs designed to be transported by means of persons or wheels; signs converted to A-frames; menu and sandwich board signs; balloons used as signs; umbrellas for advertising; and signs attached to or painted on vehicles.

Example of Portable Sign

Projecting Sign: A sign that extends from a building wall over a property line or right-of-way line.

Pylon Sign: See Pole Sign.

Real Estate Sign: A sign, attached to the site, advertising the sale, lease or rental of the property or premises on which it is located.

Reverse Pan Channel Letter: An individual letter of a sign constructed of an opaque material so that the sides and front of the letter are one unit.

Roof Sign: A sign affixed on, above or over the roof of a building so that it projects above the roofline. The top of a parapet wall shall be considered the roofline. The vertical portion of a Mansard Roof shall be considered the roofline. The top of the fascia of a hipped roof shall be considered the roofline. Where a parapet wall is combined with a mansard roof, the roofline shall be the top of the parapet.

Town of Fountain Hills Zoning Ordinance Chapter 6

Shared Monument Sign: A monument sign displaying (a) the names of participating business within a sign district or (b) the names of businesses on property owned by the holder(s) of a shared monument sign permit.

Sign: Any visual element, or combination of elements, including words or symbols, designed or placed to attract attention or convey information, including any device providing identification, advertising or directional information for a specific business, service, product, person, organization, place, or building. Graphic devices such as logos, obtrusive colored facia or architectural elements, banners, balloons, streamers, inflatable structures, exterior merchandise displays, projected picture signs, holographic projection signs and other attention attracting media and devices.

Sign District: A group of businesses within a business block, organized for the purpose of designing and installing no more than two shared monument signs to be located within the business block.

Sign District Agreement: An agreement between prospective sign district members and the business block property owner(s) in which the shared monument sign will be erected, containing the name of each business and its owner(s) and the business address and telephone number, and evidencing that the sign district members have agreed to the following:

- (a) The placement of the shared monument sign within the business block;
- (b) A shared monument sign meeting the requirements of subsection 6.08(BB);
- (c) The individual business owners' and property owner's respective responsibilities for maintenance, removal and alteration of the shared monument sign; and
- (d) The individual business owners' and property owner's responsibilities in the event that the sign district is dissolved.

Sign District Members: Business owners within a sign district.

Sign Walker: A person, who wears, holds or balances a sign.

Town of Fountain Hills Zoning Ordinance Chapter 6

Temporary Signs: A sign intended to display either commercial or non-commercial messages of a transitory or temporary nature. Portable signs, any sign not permanently embedded in the ground, or signs affixed to a building, wall, fence, or sign structure for a non-permanent time period, are considered temporary signs. Any banner, pennant, poster, balloon, construction sign, wind dancer, political sign or A-frame sign shall be considered a temporary sign.

Tent Sign: A temporary sign normally supported by its own frame in a manner that usually forms an "A" when in use; also referred to as a "sandwich" or "A-frame" sign.

Under-Canopy Sign: A sign attached to the underside of a canopy, marquee, cantilevered roof or eave or any other surface having an angle plus or minus fifteen (15) degrees from perpendicular to a horizontal overhead structure.

Wall Sign: A sign which is fastened to any vertical portion of a building; see also Building Mounted Sign.

Window Sign: Any sign, pictures, symbol or combination thereof, designed to communicate information about an activity, business, commodity, event, sale or service that is affixed to, or located within any area three feet behind a window pane, positioned to be read from the exterior of a building.

Section 6.03 Sign Permits; Fees

A. Except as provided herein, it shall be unlawful to erect, install and/or modify any sign within the Town without first applying for and obtaining a sign permit from the Development Services Department. "Modify," as it is used herein, shall mean any change in or to an existing sign, its face, electrical components, design and/or supporting structures. A permit shall not be required for the following signs; provided, however, that such signs shall be subject to any and all applicable provisions of this ordinance, including Zoning Administrator approval when required:

1. Nameplate signs, four (4) square feet or less in area, which shall contain the name of the business and may contain any or all of the following: street address, hours of operation and business logo.
2. Street addresses.

Town of Fountain Hills Zoning Ordinance
Chapter 6

3. Any sign four (4) square feet or less in area not otherwise prohibited by this ordinance.
 4. Repainting without changing wording, composition or colors; or minor nonstructural repairs.
 5. Temporary noncommercial signs.
 6. Signs not visible from off-site public or private property.
 7. Holiday signs permitted by subsection 6.08(Z).
 8. Garage sale signs permitted by subsection 6.08(M).
 9. Political signs permitted in residential areas by subsection 6.08(R).
 10. Window signs on the inside of a window.
 11. Signs of less than eight (8) square feet placed on any church property or any sign relating to church operations which is not visible from an adjacent street or property.
 12. Signs placed on any school property by the Fountain Hills Unified School District.
 13. Reserved for future Use per Ordinance No. 09-13.
 14. Signs that relate to a special event, except as required by subsection 6.08(U).
 15. Banners, balloons and pennants, except as required by subsection 6.08(D).
 16. Sign panel or copy change only if on an existing sign shall not require a permit.
- C. Failure to conform to the conditions of a sign permit, including any conditions and/or stipulations attached thereto by the Town Council and/or Board of Adjustment, shall render such permit void.
- D. Fees for sign permits shall be required and payable in such sums as the Town Council may from time to time establish by resolution.

Town of Fountain Hills Zoning Ordinance
Chapter 6

- E. A sign permit does not include electrical work; however, this exemption shall not be deemed to grant authorization for any work to be done in violation of the provisions of the Fountain Hills Town Code or any other laws or ordinances.

Section 6.04 Violations

Any of the following shall be a violation of this ordinance and shall be subject to the enforcement remedies and penalties provided by this section, by the Town of Fountain Hills Zoning Ordinance, and by state law:

- A. To install, create, erect or maintain any sign in a way that is inconsistent with any plan or permit governing such sign or the zone lot on which the sign is located.
- B. To install, create, erect or maintain any sign requiring a permit without such a permit.
- C. To fail to remove any sign that is installed, created, erected or maintained in violation of this ordinance, or for which the sign permit has lapsed.
- D. If any such violation is continued, then each day of a continued violation shall be considered a separate violation when applying the penalty portions of this ordinance.

Section 6.05 Penalty

The provisions set forth above are declared to be civil in nature. It is presumed that the business or residence identified on the sign is the responsible party for compliance. Enforcement of violations of this chapter shall be made through the use of a civil complaint. Fines may be assessed according to the following schedule:

- A. First offense, fine not to exceed \$25.00 and confiscation of sign(s).
- B. Second offense within twelve (12) calendar months of first offense, fine not to exceed \$50.00 and confiscation of sign(s).
- C. All subsequent violations within twelve (12) calendar months of the first offense, fine not to exceed \$100.00 and confiscation of sign(s).

Town of Fountain Hills Zoning Ordinance
Chapter 6

Section 6.06 Enforcement and Remedies

Any violation or attempted violation of this ordinance or of any condition or requirement adopted pursuant hereto may be restrained, corrected or abated, as the case may be, by injunction or other appropriate proceedings pursuant to state law. A violation of this ordinance shall be considered a violation of the Zoning Ordinance. The remedies of the Town shall include, but are not limited to the following:

- A. Issuing a stop-work order for any and all work on any signs on the same lot;
- B. Confiscation of sign(s);
- C. Seeking an injunction or other order of restraint or abatement that requires the removal of the sign(s) or the correction of the nonconformity;
- D. Imposing any penalties that can be imposed directly by the Town under the Zoning Ordinance;
- E. Seeking in court the imposition of any penalties that can be imposed by such court under the Zoning Ordinance; and
- F. In the case of a sign that poses an immediate danger to the public health or safety, the Town may take such measures as are available under the applicable provisions of the Zoning Ordinance and Building Code for such circumstances.

The Town shall have such other remedies as are and as may from time to time be provided for or allowed by state law for the violation of the Zoning Ordinance.

All such remedies provided herein shall be cumulative. To the extent that state law may limit the availability of a particular remedy set forth herein for a certain violation or a part thereof, such remedy shall remain available for other violations or other parts of the same violation.

Town of Fountain Hills Zoning Ordinance
Chapter 6

Section 6.07 General Regulations

- A. Any sign hereafter erected or maintained shall maintain conformance to the provisions of this ordinance and the provisions of the Town of Fountain Hills Building Code.
- B. No sign, other than an official traffic sign or similar sign shall be erected within the lines of any street or public right-of-way unless specifically authorized herein, or by other Town ordinances or regulations or by special Town authorization.
- C. No sign, including temporary signs, or sign structure shall be erected or placed in a manner that would obscure vehicular visibility; nor at any location where by its position, the shape or color of the sign may interfere with, or obstruct the view of or be confused with any authorized traffic sign, signal or device.
- D. Every sign permitted by this ordinance must be kept in good condition and repair. When any sign becomes in danger of falling, or is otherwise deemed unsafe by the Town's Chief Building Official, or if any sign shall be unlawfully installed, erected or maintained in violation of any of the provisions of this ordinance, the owner thereof, or the person or firm using the sign, shall, upon written notice by the Chief Building Official, or immediately in the case of immediate danger, and in any case within not more than ten days, make such sign conform to the provisions of this ordinance, or shall remove the sign. If, within ten days, the order is not complied with, the Chief Building Official may remove or cause such sign to be removed at the expense of the owner and/or user of the sign.
- E. Any sign legally existing at the time of the passage of this ordinance that does not conform in use, location, height or size with the regulations of this ordinance shall be considered a protected non-conforming use and may continue in use until such time as it is removed or it is abandoned for a period of six contiguous months or more. Except as otherwise set forth in subsections 6.07(J) and (Q) below, any change in the sign, including a 50% or more change of sign copy, shall be considered an abandonment and the protected non-conforming status of the sign shall become void.
- F. Except when otherwise allowed, all signs must be located on or in front of the lot, for which it advertises, informs or otherwise attracts attention.

Town of Fountain Hills Zoning Ordinance
Chapter 6

G. Sign areas shall be measured as follows:

1. Sign copy mounted or painted on a background panel or area distinctively painted, textured or constructed. Sign area is the area within the outside dimensions of the background panel or surface.

Example Sign Copy Area

2. Sign copy consisting of individual letters and/or graphics affixed to a wall or portion of a building, which has not been painted, textured, or otherwise altered to provide a distinctive background for the sign copy.

Sign area is the area within the smallest rectangle that will enclose the sign copy.

Example Sign Area

3. Sign copy mounted or painted on an internally illuminated sign or internally illuminated element of a building.

The entire internally illuminated surface or architectural element, which contains sign copy, will be counted as sign area.

Town of Fountain Hills Zoning Ordinance
Chapter 6

Example Illuminated Sign Area

4. Number of sign faces:

One – Area of the single face only.

Two – If the interior angle between the two sign faces is forty-five (45) degrees or less, the sign area is the area of one face only; if the angle between the sign faces exceeds forty-five (45) degrees, the sign area is the sum of the areas of the two faces.

Three or more – For any sign containing three or more faces, the sign area shall be measured as the sum of areas of the all the sign faces.

Example Sign Face Area

Three dimensional, sculptural or other non-planar signs – Sign area will be the sum of the areas of the vertical faces of the smallest polyhedron that will encompass the sign structure.

Town of Fountain Hills Zoning Ordinance
Chapter 6

Example Dimensional Sign Area

5. Sign area is the sum of the areas of all permitted signs, except directional signs, street addresses or safety signs (e.g., stop engine, no smoking).
6. For signs having more than one component (e.g., a service station identification/price sign combination mounted on a common base), the sign area is the area of the rectangle enclosing all components of the sign.

Example Fuel Price Sign Area

- H. Sign height is defined as follows:
1. Freestanding Sign: Sign height is the distance from the top of the sign structure, to the top of curb of the public road nearest the sign, or to the crown of public road nearest the sign if no curb exists.

Town of Fountain Hills Zoning Ordinance Chapter 6

Example Freestanding Sign Height

2. Wall or Fascia Mounted Signs: Sign height is the distance measured from a point perpendicular to the top of the midpoint of the sign structure, to the top of the finished floor of the ground floor level directly below the midpoint of the sign.

Example Midpoint of Sign

- I. Signs not specifically authorized herein are prohibited, including, but not limited to the following:
 1. Neon signs, except as permitted in subsection 6.08(P).
 2. Roof signs, or signs that project above the highest point of the roofline, parapet, or fascia of the building.
 3. Any sign emitting sound.
 4. Any animated or moving sign including televisions or signs with streaming video, except as otherwise allowed in section 6.08 GG.
 5. Portable or mobile signs, except for sign walkers , or as otherwise permitted.
 6. Billboard signs.
 7. Non-electrically illuminated signs.

Town of Fountain Hills Zoning Ordinance
Chapter 6

8. Any non-public signs in public right-of-way or on public property except as otherwise allowed. The Town may install signs on its own property to identify public buildings and uses, and to provide necessary traffic control.
 9. All off-premise signs, except as otherwise allowed.
 10. All banners, pennants, streamers, balloons, flags, searchlights, strobe lights, beacons, inflatable signs, except as otherwise provided.
 11. Any sign imitating an official traffic control sign, any sign or device obscuring such traffic control signs or devices.
 12. No temporary or portable sign shall be permitted within the Shea Boulevard right-of-way.
 13. Except as provided in subsections 6.08(B), 6.08(M) and 6.08(Q), A-frame signs shall not be permitted within the Town of Fountain Hills.
- J. Whenever the name of a business changes, any non-conforming signs on the premises shall be modified to bring them into conformance with these regulations, even though the change is a change of sign copy only. This paragraph shall not apply to directory signs designed with interchangeable letters or panels or to the text area of a monument sign.
- K. Non-conforming freestanding signs, sign structures, poles and other related equipment that have been abandoned or not in use for more than six months shall be removed and building, land or site restored to its original state.
- L. The source of a sign's illumination shall not be visible from any adjacent residential streets or neighborhoods.
- M. No sign shall be erected or placed within any center median or any public sidewalk or bicycle path, unless otherwise permitted. The Town employees may remove any sign located in these areas. Directional signs owned by the Town shall be exempt from these regulations.

Town of Fountain Hills Zoning Ordinance
Chapter 6

- N. When any window sign or signs are placed so as to attract the attention of persons outside the building where such signs are displayed, the total area of all such window signs shall not exceed 50% of the total area of the windows through which they are visible.
- O. Signs mounted, attached or painted on trailers, boats or vehicles shall be subject to the following:
1. Business or commercial vehicles displaying signage or advertising as a normal part of business activity may be parked in an off-street parking space adjacent to the business to which the vehicle relates; provided, however, such off street parking space shall not be located immediately adjacent to a street frontage, except as permitted in subsection 6.07(O)(2) below. Vehicles that are visible from the public right-of-way shall not remain in the same parking space for more than forty-eight (48) consecutive hours.
 2. One business or commercial vehicle of less than three and one half tons gross vehicle weight and displaying up to twelve (12) square feet of signage may be parked in an off-street parking space near the business to which the vehicle relates and immediately adjacent to a street frontage. Portable signs shall not be displayed on or in the vehicle. Said vehicle shall not remain in the same parking space for more than forty-eight (48) consecutive hours.
 3. Trailers, boats or trucks larger than three and one half tons, displaying signage or advertising may not be parked within any commercially zoned area within the Town that is visible from any public street except while making deliveries or providing services to a business within such commercially zoned area.
 4. One business or commercial vehicle smaller than three and one half (3.5) tons displaying signage or advertising as a normal part of business activity may be parked in an off-street parking space within a residential zone at the residence of the owner or lessee of such vehicle unless otherwise prohibited by subsections 7.02(G) & (H) and 5.14(F) of this Zoning Ordinance.

Town of Fountain Hills Zoning Ordinance
Chapter 6

5. Unless specifically permitted in subsections 6.07(O)(1)-(4) above, signs mounted, attached or painted on trailers, boats, motor vehicles or any moveable object placed on premises to serve as additional advertising signage are prohibited.
- P. Total aggregate sign area may be increased up to 25%, provided the additional area is used to display a Town-provided logo or symbol.
- Q. The area of the text of a legal nonconforming monument sign shall not be required to be reduced in the event of a change in the sign text.

*Specific Regulations Apply.

- A. "Total Aggregate Sign Area" is the sum of the total allowable sign area for an entire site with the following restrictions. As used herein, "Site," within commercially or industrially zoned area shall mean the building area leased or owned by or on behalf of any business together with its adjacent privately owned walkway or parking area.
1. Frontage is determined by the measurement of the portion of the building facing the street. Corner buildings may include two street frontages if the frontages are joined at an angle between forty-five (45) and ninety (90) degrees. However, the total sign area that is oriented toward a particular street may not exceed

Town of Fountain Hills Zoning Ordinance
Chapter 6

125% of the portion of the lot's total sign area allocation that is derived from the building frontage on that street. Building frontages that contain angles of less than forty-five (45) degrees or between ninety (90) and one hundred eighty (180) degrees shall be considered to be one frontage. Multi-story building lineal footage is limited to the ground floor lineal footage measurement except as modified by subsection 6.08(A) (5) below.

2. In all commercial and industrial zoning districts, the total aggregate sign area allocable to any ground floor business having an external business entrance shall not exceed the greater of fifty (50) square feet or two (2) square feet per lineal foot of building frontage, but in no case more than one hundred (100) square feet.
3. In all commercial and industrial zoning districts, any licensed business located above the ground floor in a multi-story building having an external building wall facing a public street shall be permitted exterior signage with a total aggregate sign area not to exceed fifty (50) square feet. A business occupying more than one floor is only allowed a sign on one floor.
4. Businesses within any commercial or industrial zoning district having only an internal business entrance and no external wall facing a public street or public access driveway shall be limited to business identification signage on a common directory sign as shown on a comprehensive sign plan, as set forth in subsection 6.08(BB) unless otherwise approved by the Zoning Administrator or an authorized designee.
5. Ground floor businesses having building frontage greater than one hundred (100) feet in length may increase their allowed sign area by 0.5 square feet per one (1) lineal foot of building frontage in excess of one hundred (100) feet. Such additional sign area shall be for the exclusive use of said business and not transferable or reallocable to other businesses on the site.

B. A-Frame Signs are allowed as follows:

1. Only businesses that are physically located within Town commercial or industrial zoning districts or churches in residential zoning districts may display A-frame signs.

Town of Fountain Hills Zoning Ordinance
Chapter 6

2. Businesses or churches permitted to display A-frame signs may display a maximum of one such sign per street frontage location. Such sign shall be located either on the same property as the business or church, or on property immediately adjacent to the business or church building as follows:
 - a. As outlined in section 3 below.
 - b. On property held in common by members of a property owners' association.
 - c. On property owned by the business owner's landlord.
3. Location of A-frame signs shall be restricted as follows:
 - a. Such signs shall not be located on the public street, sidewalk, or median.
 - b. Such sign shall not be located within a designated parking or loading area.
 - c. Signs shall not be located in a manner that poses a traffic vision hazard. Signs may not be located within the sight triangle as defined in the Town of Fountain Hills Subdivision Ordinance Section III, Exhibit 16.
 - d. A-Frame signs must be placed at least one (1) foot behind the curb. If no curb is present, signs shall be located at least three (3) feet from the edge of the paved portion of the public right-of-way. No A-Frame signs shall be placed on sidewalks or within the center medians that divide portions of paved or unpaved roadways.
4. No sign may be greater than twenty-four (24) inches wide and thirty-six (36) inches tall.
5. Signs shall be constructed of wrought iron; sheet metal; 1/8 inch thick plastic; or of wood that is at least 3/8 inch thick. No other materials are acceptable.
6. Signs must be manufactured by a professional sign company.
7. Signs shall be in good repair.

Town of Fountain Hills Zoning Ordinance
Chapter 6

8. Attachments to signs are limited to balloons flown no higher than six (6) feet from the ground. If attachments are used, the A-frame sign must be set back from the curb a minimum of three (3) feet.
 9. Landscaping cannot be modified or damaged to accommodate an A-frame sign.
 10. Signs shall only be displayed between the hours of 7:00 a.m. and 9:00 p.m.
 11. No A-frame sign is permitted anywhere within the Town of Fountain Hills after December 31, 2012.
- C. Awning/Canopy Signs are allowed as follows:
1. Must be included in the total aggregate sign area.
 2. May not exceed 25% in area of the canopy on which such sign is located.
 3. Sign area shall be measured by the smallest rectangle that will enclose the sign copy.
- D. EVENT Banners, Balloons and Pennants are allowed as follows:
1. Banners shall be allowed on a one-time basis for a maximum of thirty (30) consecutive days during the grand opening of a business, a Chamber of Commerce sponsored ribbon cutting, a change in ownership, change in management or change of business name.
 2. A banner shall also be allowed for a church for up to thirty (30) consecutive days for the purpose of promoting a program or event. Banners for these purposes require a permit.
 3. Banners, balloons and pennants are permitted for events such as special sales events with advance written notification to the Town for not more than three (3) consecutive days per week. The provisions of this subsection 6.08(D) (3) shall expire on December 31, 2012.
 4. Not more than one banner shall be allowed per business.

Town of Fountain Hills Zoning Ordinance
Chapter 6

5. Maximum banner sign area is thirty-two (32) square feet.
6. Banners, balloons or pennants shall be located on the business storefront or within the area leased by the business. Balloons otherwise located shall be not less than four (4) feet from the face of the building and within twenty (20) feet of the main building entrance.
7. Banners, balloons or pennants shall not be designed to depict any product not legally available to all residents of the Town.
8. Total sign area including permanent signs, pennants and banner signs shall not exceed 200% of the permitted sign area.
9. Banners, balloons or pennants shall be professionally manufactured.
10. Banners, balloons or pennants shall not be displayed in the required perimeter street landscaping.
11. Banners, balloons or pennants shall not obscure building address numbers.
12. Banners, balloons or pennants shall not encroach within onsite fire lanes.
13. Banners, balloons or pennants shall not be attached or hung on or from a tree or shrub.
14. No balloon may be larger than twenty-four (24) inches in diameter.
15. Balloons shall not be flown higher than six (6) feet from the ground.
16. Banners, balloons and pennants shall not be erected at the intersection of any street or pedestrian walkway in such a manner as to obstruct free and clear vision, nor at any location where, by its position, shape or color, it may interfere with or obstruct the view of or be confused with any authorized traffic sign, signal or device.

Town of Fountain Hills Zoning Ordinance
Chapter 6

17.

TYPE OF EVENT	SIGN TYPE		
	Banners	Balloons & Pennants	Banners, Pennants, Balloons &
Grand Opening	30-Days w/Permit	1.12 Hrs during one Day Event 2.-No Permit Necessary	
CHAMBER RIBBON CUTTING	30-Days w/Permit	1.-12 Hrs during one Day Event 2. -No Permit Necessary	
Change of Business Name,Owner,or Management	30-Days w/Permit	1.-12 Hrs during one Day Event 2.-No Permit Necessary	
Church Event	30-Days w/Permit	1. Permit Required	
Any Type of Event			1. - Three (3)consecutive days per week 2.No Permit Necessary * Town Notification Required

*Town Notification: Prior to the event, the event organizer must submit for review the following:

1. Event site plan showing location of outdoor activities, signage, etc.
2. Dates and times the event will be held.
3. Name, address, and phone number of responsible person.

Town staff will review for conformance with regulations and safety issues. Once the proposal review is satisfactorily completed, staff will approve. Staff may impose conditions to ensure public safety.

E. Civic organizations, such as the Kiwanis, Rotary, Jaycees, etc., may be identified on group display structures in accordance with the following standards:

1. Said structure must be on arterial streets.

Town of Fountain Hills Zoning Ordinance
Chapter 6

2. Structures shall not be over six feet in height or exceed an area of sixty (60) square feet.
 3. Sign may not be illuminated.
 4. Each civic organization shall be limited to a maximum sign area of two square feet.
- F. Signs for a contractor may be placed on a construction site if signs meet the following criteria:
1. One contractor sign or banner per lot.
 2. Subcontractors may not place additional signs but may be listed on a main contractor sign.
 3. Maximum size of sign shall not exceed eight (8) square feet.
 4. Maximum height of five (5) feet.
 5. Sign must be located on construction site.
 6. Sign shall not be illuminated.
 7. A contractor sign may be placed only during the period of time when a building permit is valid and must be removed no later than the date of final inspection.
- G. A directory sign may be included as part of a comprehensive sign plan. A directory sign is allowed with the following standards:
1. Maximum sign area of six (6) square feet.
 2. Maximum height of six (6) feet.
 3. Located behind the required front yard setbacks.
- H. (Reserved)
- I. Flags, as defined in Section 6.02, are allowed as follows:

Town of Fountain Hills Zoning Ordinance
Chapter 6

1. Flag poles shall not exceed the maximum building height allowed in each zoning district and shall be located and constructed that if it should collapse, its reclining length would be contained on the property for which it was installed.
2. Any flag flown in conjunction with the United States or State of Arizona flags shall be flown beneath them.
3. No more one (1) State of Arizona, one foreign national flag, one (1) Fountain Hills Unified School District flag and one (1) corporate flag shall be flown on any one (1) site or structure.
4. The maximum size of any corporate flags shall not exceed fifteen (15) square feet, with no one dimension to exceed six (6) feet in any direction.
5. A sign permit is required to display any corporate flag and must be included as part of the total aggregate sign area.
6. Display of the United States flag must meet all requirements of the United States Flag Code, including national and local lighting standards.
7. A model home that has a special use permit may use flags in addition to the United States flag and State of Arizona flag, in the following manner:
 - a. There can be no more than two (2) flags on the lot of one model home and one (1) flag on each additional lot with a model home located upon it, up to a total of four (4) lots of model homes.
 - b. The maximum size of any model home flag shall not exceed eight (8) square feet.
 - c. Model home flags shall not be illuminated.
 - d. Flagpole shall not exceed twenty-five (25) feet in height.
8. No sign permits are required for flags unless otherwise noted.

Town of Fountain Hills Zoning Ordinance
Chapter 6

9. The maximum size of a United States flag, State of Arizona flag or foreign national flag shall be sixty (60) square feet. This limit does not apply to a United States flag or State of Arizona flag flown on a national or state holiday.
- J. Freestanding signs are allowed as follows:
 1. Freestanding signs shall be counted as a portion of the total aggregate sign area except as outlined in subsection 6.08(J)(7) below.
 2. One freestanding sign is allowed for each street frontage.
 3. Maximum area of fifty (50) square feet.
 4. Maximum height of twelve (12) (including base).
 5. All freestanding signs must be no closer than thirty (30) feet to any residential district.
 6. Minimum area of two (2) square feet of landscaping per one (1) square foot of freestanding sign shall be provided at the base of the freestanding sign.
 7. Shared Monument Signs are permitted in sign districts as follows:
 - a. Sign District Formation: A sign district may form to obtain shared monument signs where at least 51% of business owners within a business block, each possessing valid Town business licenses, have submitted a sign district agreement to the Zoning Administrator and where the Zoning Administrator has approved the formation of the district.
 1. Membership Change: If sign membership changes, the sign district shall file a written notification of membership change and an amended sign district agreement with the Zoning Administrator. Where a sign district member moves out of the sign district or closes its business, the portion of the shared monument sign advertising that business must be removed within thirty (30) days. The portion of the sign dedicated to the vacating sign district member shall be maintained with a blank panel.

Town of Fountain Hills Zoning Ordinance
Chapter 6

2. District Dissolution: If a sign district is dissolved, the property owner(s) of the business block shall be required to remove the shared monuments sign unless:
3. A new sign district is formed to assume responsibility for the shared monument sign within thirty (30) days from the date of dissolution of the old sign district; or
4. The property owner assumes complete control over the shared sign monuments.

b. Limitations on Shared Monument Signs:

1. Height Restrictions:

- a) Where the sign district contains three to four businesses, the maximum height of the monument sign shall be six (6) feet.
- b) Where the sign district contains five or more businesses, the maximum height of the monument sign shall be eight (8) feet.
- c) Width may not exceed four (4) feet.
- d) The area of the sign shall not exceed twenty-four (24) square feet.

c. Sign Placement:

1. Signs may not be placed within the right-of-way;
2. Signs must be at least one-hundred fifty (150) feet away from any other type of monument sign;
3. Signs must not be placed in a manner which obstructs the vehicular sight lines and road "clear zones" established by the Town Engineer in accordance with traffic engineering standards.

Town of Fountain Hills Zoning Ordinance
Chapter 6

- d. The Zoning Administrator or authorized designee may approve the placement of a shared monument sign in a manner other than as required by this subsection, provided that a written request has been submitted by the sign district to the Zoning Administrator outlining the reason for the request of alternative placement, including a detailed plan showing the requested area of placement, and where the Zoning Administrator or authorized designee has made the following determinations:
 - 1. A special circumstance or condition exists which does not exist on other properties within the business area; and
 - 2. The alternative placement is necessary to allow the use of a shared monument sign; and
 - 3. The special circumstance or condition is not self-imposed.
 - e. A minimum of two (2) square feet of landscaping per one (1) square foot of the sign shall be provided at the base of the shared monument sign.
 - f. In lieu of the formation of a sign district by business owners, one or more owners of contiguous property that contains more than one business address may submit an application for a shared monument sign.
8. Subdivision Identification Signs are allowed as follows:
- a. Style, Height and Area. Subdivision identification sign shall be a monument sign with the following limitations:
 - 1. Maximum height shall be six (6) feet.
 - 2. Maximum area shall be twenty-four (24) square feet.
 - 3. Maximum of one (1) sign located at each street access to the identified subdivision.
 - 4. Sign text shall be limited to the name of the development or subdivision.

Town of Fountain Hills Zoning Ordinance
Chapter 6

b. Sign Placement:

1. Sign shall not be located within the right-of-way without an encroachment permit.
2. Sign shall not be located so as to obstruct vehicle sight lines and road "clear zones" established by the Town Engineer in accordance with traffic engineering standards.

c. Landscaping:

1. Minimum of two (2) square feet of landscape area per one (1) square foot of sign area shall be provided at the base of the sign.
2. Landscaping may be occasionally changed, but shall always be maintained in good condition by the property owner.

d. Lighting:

1. The text area of the sign may be back-lit such that the source of illumination is not visible; provided, however, that back-lit non-opaque panels are not permitted.
2. The text area of the sign may be illuminated by fully shielded ground mounted directional lighting.

K. Fuel price signs are allowed as follows:

1. Fuel price signs shall be counted as a portion of the total aggregate sign area.
2. One freestanding fuel price sign is allowed per street frontage.
3. Maximum area of twelve (12) square feet per sign.
4. Maximum height of five (5) feet.

Town of Fountain Hills Zoning Ordinance
Chapter 6

5. Minimum area of four (4) square feet of landscaping per one square foot of freestanding sign shall be provided at the base of the freestanding sign.
- L. Future Development Signs announcing the proposed development of property prior to issuance of a building permit for the purpose of displaying the name of the project, contractors, architect and any additional information pertaining to the site on which the signs are located are allowed in accordance with the following:
1. Maximum size shall not exceed thirty-two (32) square feet.
 2. Sign shall not be illuminated.
 3. Sign may be double faced.
 4. One (1) sign per each street on which the development has frontage.
 5. Maximum height shall not exceed five (5) feet for all signs.
 6. Such signs may be maintained for a period not to exceed twelve (12) months prior to obtaining building permits for a development and must be removed upon issuance of a Certificate of Occupancy.
 7. A sign permit must be obtained prior to locating the sign on the site.
- M. Garage Sale Signs are allowed as follows:
1. Garage sales signs may only be used for garage sales, yard sales and carport sales as outlined in Section 8-3-3 of the Town Code.
 2. Garage sale signs must be placed at least one (1) foot behind the curb. If no curb is present, signs shall be located at least three (3) feet from the edge of the paved portion of the public right-of-way. No garage sale sign shall be placed on sidewalks or within the center medians that divide portions of paved or unpaved roadways.

Town of Fountain Hills Zoning Ordinance
Chapter 6

3. No garage sale sign shall be permitted within the Shea Boulevard public right-of-way.
 4. No garage sale sign shall be located within three hundred (300) feet along the same roadway, as measured along the public right-of-way line(s), as another sign bearing the same or substantially the same message.
 5. There shall not be more than five (5) garage sale signs to any destination.
 6. Garage sale signs may only be displayed between sunrise and sunset. Signs remaining in public rights-of-way after sunset, or placed in rights-of-way prior to sunrise, shall be subject to confiscation and destruction by the Town.
 7. Maximum size shall not exceed four and one-half (4.5) square feet.
 8. Maximum height shall not exceed three (3) feet.
 9. Signs may only be constructed of wrought iron, sheet metal, corrugated plastic or of wood that is at least 3/8 of an inch thick.
 10. Garage Sale signs shall not be attached to any utility pole or box, light pole, or street sign.
- N. Menu Boards orientated to the drive-thru lane for a business are allowed as follows:
1. Menu board signs shall be counted as a portion of the total aggregate sign area.
 2. One freestanding or wall mounted menu board is allowed per business.
 3. Menu board must be located no less than forty-five (45) feet from any street property line.
 4. Maximum area of twenty (20) square feet.
 5. Maximum height of five (5) feet.

Town of Fountain Hills Zoning Ordinance
Chapter 6

6. Minimum area of four (4) square feet of landscaping per one square foot of freestanding sign shall be provided at the base of the freestanding sign.
 7. Speaker boxes and LED boxes are allowed as follows:
 - a. May not exceed thirty-six (36) cubic feet and four (4) feet in height.
 - b. May not contain advertising of any kind.
 - c. When installed separately from menu board, square footage will be calculated in addition to total aggregate sign area.
 8. Placement of menu boards, speaker boxes and LED boxes must meet the following guidelines:
 - a. Cannot be visible from any public street or alley.
 - b. Must be at least one hundred fifty (150) feet from any residential zoning district or be screened from residential view by masonry wall.
- O. Multi-Tenant Building Identification Signs are allowed as follows:
1. Sign shall be a wall sign and shall identify only the building or complex.
 2. The maximum number of signs for each building shall be one sign.
 3. Sign shall be placed on the wall of the building with major street frontage.
 4. Maximum area of sign is six (6) inches per lineal foot of building wall with a minimum of twenty-four (24) square feet and a maximum of forty (40) square feet. Lineal footage of building is determined as defined in subsection 6.08(A).

Town of Fountain Hills Zoning Ordinance
Chapter 6

P. Neon Signs are allowed only as follows:

1. A neon sign does not count toward the total aggregate allowance of sign area for any business.
2. Limited to interior window display only (may not be used on exterior of building).
3. The total amount of neon signage for any one business shall be six (6) square feet.
4. No more than two (2) neon signs shall be allowed for any business.

Q. Open House Directional Signs are allowed only as follows:

1. Open house directional signs shall be used to direct traffic to a residence for sale, lease or rent.
2. Maximum number of directional signs for each residence for sale, lease or rent shall be five.
3. Maximum area for each sign shall be six (6) square feet.
4. No sign may be greater than twenty-four (24) inches wide and thirty-six (36) inches tall.
5. Signs shall not be illuminated.
6. Sign must contain a directional arrow.
7. Signs shall be placed at least one (1) foot behind the curb. If no curb is present, signs shall be located at least three (3) feet from the edge of the paved portion of the public right-of-way. No sign is allowed on sidewalks or within the center medians that divide portions of paved or unpaved roadways.
8. No sign shall be placed within one hundred fifty (150) linear feet of the Shea Boulevard public right-of-way.
9. Signs must be made by a professional sign company.

Town of Fountain Hills Zoning Ordinance
Chapter 6

10. Signs shall not be located within one hundred (100) linear feet of any sign advertising the same location.
 11. Sign placement, other than as described above, may be approved by the Zoning Administrator or authorized designee.
- R. Political and Ideological Signs located in non-residential zoning districts shall be treated as commercial signs and shall be governed by the sign regulations applicable to the respective zoning district where sign is being located. The combination of commercial, political, and ideological signs shall not exceed the square footage limitations of the respective sign regulations prescribed in this ordinance. In addition to signs already permitted in residential zoning districts, political and ideological signs may be located in such areas within the following parameters:
1. Maximum aggregate size, per individual candidate or ballot issue, shall not exceed sixteen (16) square feet on any residential lot or parcel or thirty-two (32) on any commercially/industrial zoned lot or parcel.
 2. Maximum length shall not exceed six (6) feet.
 3. Maximum height shall not exceed four and one-half (4.5) feet.
 4. Except as otherwise, permitted by State Law, no such sign or portion of the sign may be located in or project into a public right-of-way.
 5. Political signs in residentially zoned areas shall be erected not more than sixty (60) days prior to the election or referendum on the ballot and shall be removed within fifteen (15) days after said election or referendum. Candidates successful in a primary election are permitted to leave their respective political signs in place until ten (10) days after the general election, or if necessary, after a run-off election.
- S. Projecting Signs are allowed only as follows:
1. Must be included in the total aggregate square footage.
 2. Shall only be permitted if signs are affixed to a building.

Town of Fountain Hills Zoning Ordinance
Chapter 6

3. Shall not exceed three and one-half (3.5) feet in width or more than six (6) feet in height.
 4. Shall be located so that the bottom of the sign is not less than eight (8) feet from the ground.
 5. Shall require both a Town sign permit and, if encroaching over an abutting Town right-of-way line, revocable Town encroachment permit.
- T. Real Estate Signs are allowed as follows and are exempt from the total aggregate signage:
1. Real estate signs may only advertise the sale, leasing or renting of a building, dwelling, suite, property, or other forms of real estate.
 2. Real estate signs must be non-illuminated.
 3. Maximum sign area of six (6) square feet.
 4. Maximum height of five (5) feet.
 5. Signs must be made by a professional sign company.
 6. No A-Frame signs allowed.
 7. Signs may only be placed on property that is for sale, lease or rent.
 8. Maximum number of signs allowed is one (1) per street frontage.
 9. Signs must be removed when the purpose for which the sign was erected is complete.
 10. Sign placement, other than as described above, may be approved by the Zoning Administrator or authorized designee.
- U. Special Event Signage is allowed as follows:
1. A sign placement plan detailing the size, location, and timing of proposed signs to be used for a special event shall be presented with the special event permit application.

Town of Fountain Hills Zoning Ordinance
Chapter 6

2. These signs shall be placed only after a special event permit has been issued by the Town and must be removed within twenty-four (24) hours after the conclusion of the event.
 3. The regulations in this chapter may be waived by the Town Council for special event sign placement, size, and timing.
- V. Under-Canopy Signs are allowed as a part of a comprehensive sign plan and must meet the following requirements:
1. All under-canopy signs require written property owner and Town approval prior to installation.
 2. Each business may be allowed one double-faced non-illuminated sign installed under an overhanging canopy or fascia perpendicular to the front of the tenant's front wall space.
 3. Maximum sign width shall not exceed twenty-four (24) inches.
 4. Maximum sign height shall not exceed twelve (12) inches.
 5. Minimum clearance shall be not less than eight (8) feet six (6) inches from the bottom of the sign to the sidewalk or surface beneath the sign.
 6. In no case shall any object, banner, sign or other material be attached to, or hung from the sign.
 7. No under-canopy sign shall be mounted in a manner that will impede pedestrian or vehicular visibility or create any hazard.
 8. The sign area for the first under-canopy sign shall be excluded from the total aggregate area of a comprehensive sign plan. Businesses with multiple public entrances may be allowed one additional under-canopy sign, subject to property owner and Town approval, but the sign area of the second under-canopy sign will be counted as a part of the business's total aggregate sign area.
 9. Under-canopy signs on property under unified ownership and control shall be consistent in appearance.

Town of Fountain Hills Zoning Ordinance
Chapter 6

- W. Wall Signs count as a part of the total aggregate signage and are allowed as follows:
1. One square foot per each lineal foot of building frontage. Frontage is determined by the measurement of the portion of the building facing the street not to exceed aggregate square footage allowed. Corner buildings may include two street frontages if the frontages are joined at an angle between forty-five (45) and ninety (90) degrees. However, the total sign area that is oriented toward a particular street may not exceed 125% of the portion of the lot's total sign area allocation that is derived from the building frontage on that street. Building frontages that contain angles of less than forty-five (45) degrees or between ninety (90) and one hundred eighty (180) degrees shall be considered to be one frontage.
 2. Sign area must allow a minimum two (2) foot border from edge of the building or suite frontage, or a minimum two (2) foot separation between signs, whichever is less.
 3. Each wall sign may project no more than twelve (12) inches from the surface of the wall to which it is attached.
 4. Reverse pan channel letter with halo illumination must not exceed a one and three-quarter (1.75) inch separation from the wall.
 5. In the C-2, C-3, and TCCD zoning districts, a secondary entrance wall sign is allowed in addition to total aggregate sign area if the following criteria are met:
 - a. Wall sign areas shall not exceed 25% of primary total aggregate sign area.
 - b. Secondary entrance must not be visible from main public entrance.
 - c. Secondary entrance must face a rear parking area, common area or public use frontage.

Town of Fountain Hills Zoning Ordinance
Chapter 6

- X. Window Signs are allowed as follows:
1. Window signs do not count as part of the total aggregate sign area.
 2. May not exceed 50% of window area.
 3. Window signs shall be prepared by a professional sign company.
- Y. Window decorations/painting with a holiday theme are allowed as follows:
1. Holiday decorations may be displayed on a temporary basis for civic, patriotic or religious holidays.
 2. The combination of window decoration/painting coverage and signage must not exceed 75% of window area.
 3. Window decoration shall not contain any form of advertising, including but not limited to, name of business, logo, sale language or any other form of advertising as outlined in Section 6.02.
 4. Sign permit is not required.
- Z. Comprehensive Sign Plans shall meet all sign criteria of the Town. The following elements are required for approval:
1. Name, address and phone number of property owner or designee.
 2. Written text clearly outlining the sign plan to include all suites, offices or other leased/leasable space.
 3. Name and address of property for which the comprehensive sign plan is designated.
 4. Design criteria allowed for signage (i.e. colors, installation method, materials, type of signage, etc.). If it is the intention of the property owner to allow Nationally Recognized Registered Logos, this must be specified in the plan.

Town of Fountain Hills Zoning Ordinance
Chapter 6

5. Site plan showing all lot dimensions, suites, offices or other leased/leasable space and proposed/existing signage placement (drawn to scale).
6. Elevations showing proposed sign envelopes.
7. Lineal footage of building(s) as outlined in subsection 6.08(A).
8. Allocation chart showing allowable square footage for each suite, office or space number.
9. Comprehensive sign plan amendments must be made in writing and submitted reviewed and approved by the Zoning Administrator or authorized designee.
10. Comprehensive sign plan approval/denial may be appealed to the Town Council.

AA. Street Addresses:

1. Every building or group of buildings within any commercially or industrially zoned area must be identified by a street number which is clearly visible from the adjacent street. This sign shall not be computed as part of the total sign area permitted for any site or business.
2. The street number (or number range) of the businesses or business complex identified on a monument sign shall be displayed at the top of the text area of the monument sign and shall not be computed as part of the aggregate sign area.

BB. Sign Walkers, in commercially zoned district only, subject to the following time, place and manner limitations:

1. If located within the right-of-way, a sign walker shall be positioned behind the curb or, if no curb is present, ten (10) feet behind the edge of pavement.
2. Sign shall not be positioned so as to obstruct vehicle sight lines and road "clear zones" established by the Town Engineer in accordance with traffic engineering standards.

Town of Fountain Hills Zoning Ordinance
Chapter 6

3. Sign walkers shall not obstruct the free movement of pedestrians on sidewalks.
 4. Sign walkers are not allowed in the medians of public or private streets.
 5. The sign worn, held or balanced by a sign walker shall be a maximum of five (5) square feet in size and may be double sided.
- CC. Electronic Message Signs – Any sign with intermittent, scrolling or flashing illumination, including electronic message center signs. Such signs are permitted in Commercial and Industrial zoning districts only, or churches or schools in residents districts
Subject to the following:
1. Signs must be on-site.
 2. There shall be no moving or flashing Green or Red features which could be mistaken as traffic signals.
 3. Intermittent Changes:
 - a. Any changes to the face or copy of the sign must have a minimum of Eight (8) second interval between changes.
 - b. Any changes to the face or copy of the sign must stop at 10:00 p.m., except for time and temperature.
 - c. After 10:00 p.m. the background must be darker than the text.
